

# Security MIRRORS

Mirrors in strategic locations will expose the blind areas and eliminate the shoplifters privacy. The right mirror in the proper position will increase the effectiveness of your staff without increasing payroll.

▶ Our mirrors are made of acrylic safety plastic.

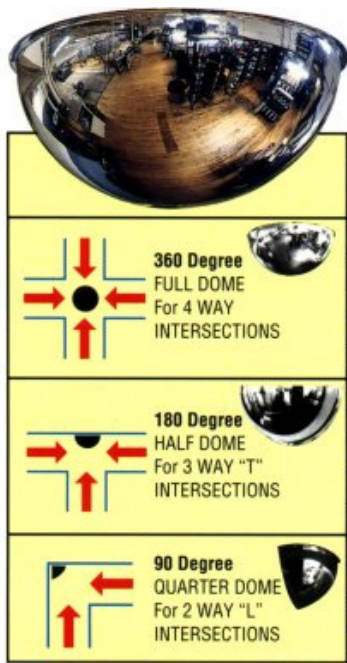

- Clear image for better viewing
- Low maintenance
- Shatter-proof
- 50% lighter than glass
- Fade resistant
- Long lasting
- Easy tee-bar installation
- Adjustable
- Distortion free
- Adjustable mounting  
(bracket included)
- Always brilliant
- Wide range of application
- Break resistant
- 17 times stronger than glass

▶ Our mirrors eliminate safety hazards in the workplace.

- Blind intersections
- Shipping & receiving areas
- Corridors with foot and motorized traffic
- Traffic areas
- Production machinery areas
- Office, Warehouses, Factories and Parking Garages
