

# Crime Detection

**Invaluable assistants to establishing suspect, object and location link.**

***Crimes that lend themselves to these products:***

Petty theft, Coin box tampering, Money Laundering, Illegal drug transactions, Tampered documents, Alarm boxes, Industrial theft, Fire arms & weapons, etc.

Used primarily in situations where there is no reasonable assumption of a suspect.

## **Fluorescent Invisible Detection Powder & Paste**

Used in situations where you do not want the transfer color to be visible, but only seen under ultra violet light

Other Fluorescent Invisible detection products for specific applications

*Available i.e.. Metal Marking Ink, Coin Lacquer, Writing Ink*

## **Visible Stain Detection Powder & Paste**

When contact is made, transfer occurs. When transfer powder contacts moisture, such as perspiration, facial fluids or water, the powder goes into solution, and a resulting vivid color appears.
